TECHNICAL SKILLS

Programming Languages

- Java
- Python
- C

Web Development

- Asp .NET Core
- SpringBoot
- Angular
- TypeScript
- JavaScript
- Html
- CSS

Database Technologies

- MySQL
- MSSQL
- Firebase

Version Control

- Git

Project Management Tools

- Trello

Other

- Postman
- Docker
- Figma

ABOUT ME

Responsible and self-motivated individual with a strong passion for continuous learning and growth, actively seeking a software engineering internship to apply knowledge, gain practical experience, and further develop technical skills while contributing to innovative projects.

EDUCATION

University of Moratuwa (2022 - present)

B.Sc. (Hons) in Information Technology
(Expected in 2026)
CGPA: 3.71/4.00 (up to L2S2)

Ibbagamuwa Central College (2012 - 2020)

G.C.E Advanced Level Examination (2020)
Combined Mathematics (A), ICT (A), Physics (B)
Z-score 2.2996

PROJECTS

• Event Management System (Team) - (2023-2024)

Event management system that streamlines event planning and coordination between clients and vendors, Including tools for service/resource management, user dashboards, and admin operations. Contributed significantly by building service/resource management features and implementing real-time notifications, enhancing functionality and user engagement.

- Technologies:** Angular, ASP.NET Core, MySQL, Firebase, SignalR
- Role:** FullStack Developer

• Online Clothing Platform (Team) - (2024)

A scalable e-commerce platform leveraging microservices architecture, enabling efficient browsing and ordering cloth items for users, with an admin dashboard for inventory management.

Contributed to the development of the API gateway, configuration of service discovery, management of user authentication, and implementation of Dockerization for consistent and streamlined development and deployment environments.

- Technologies:** SpringBoot, React, NextJs, MongoDB, MySQL, Docker
- Role:** Backend Developer

NON-TECHNICAL SKILLS

- Teamwork
- Time management
- Problem solving
- Communication
- Creativity

LANGUAGES

- Sinhala(native)
- English

INTERESTS & HOBBIES

- Reading
- Cycling
- Music
- Movies
- Volunteering

REFEREES

Ms. Abirami Velsivananthan

Senior Software Engineer
Corzent Edge (Pvt) LTD
Phone: +94 765 433 290
Email: abirami@corzent.com

Mrs. Shashika Kumarasinghe

Lecturer
Department of Information
Technology
University of Moratuwa
Phone: +94 711 005 953
Email: sashikaj@uom.lk

• Personal Portfolio Website (Individual)

Personal portfolio website designed to showcase skills, projects, and professional experience. Features a structured project portfolio and an interactive contact section, with a responsive interface ensuring a seamless user experience across all devices.

- **Technologies:** Html, CSS, JavaScript
- **Role:** FullStack Developer

• Joke Fetching Mobile Application (Individual)

Mobile application that fetches jokes from a public API, with the ability to select joke categories from a dropdown. Integrated caching to store jokes locally, allowing users to view cached jokes when offline, ensuring a seamless experience even without an internet connection.

- **Technologies:** Flutter
- **Role:** Mobile Application Developer

• Miner Safety Helmet (Team) - (2022-2023)

A system to enhance miner safety, theft detection, and communication using radio signals, featuring environmental condition monitoring and two-way voice communication. The system includes a repeater to extend the communication range, ensuring seamless interaction in remote areas. Contributed to the development of audio transmission, audio amplification, power supply unit, and PCB design, ensuring reliable performance and efficient communication in challenging environments.

- **Technologies:** Arduino, C++
- **Role:** Embedded System Developer

CERTIFICATES

- Backend development using ASP.NET – Coursera 2023
- Build Dynamic User Interfaces (UI) for Websites – Coursera 2023
- Front-End Web Development – Open UOM
- Web Design for Beginners - Open UOM

ACHIEVEMENTS & PARTICIPATIONS

- Coders V11.0 - 12-hour hackathon organized by UOP - Top 40
- CodeRally 5.0 - 24-hour hackathon organized by IIT - Top 10
- CodeRush 2023 - Organized by UOM INTECS - Participation
- Openhack 2.0 - 24-hour hackathon Organized by IIT - Participation
- IdeaForge - Ideathon organized by UOK - Participation
